Municipality of Thames Centre
CONSTRUCTION UPDATE
Porters Subdivision Phase 2 - Watermain Commissioning

Ross Ave, Ruth St, Carl St.

November 2, 2023

Dear Property Owner / Resident,

The Municipality of Thames Centre (Municipality) hereby notifies and advises all residents and affected parties of the scheduled watermain commissioning 291 Construction will be carrying out the commissioning of the watermain over the next few weeks. There will be an inspector from Development Engineering, along with our municipal staff, who will oversee the watermain commissioning and be available to address any concerns from residents.

Work Plan Details

- Conducting pressure testing (*complete*)
- Chlorination, and bacteriological sampling (*underway*).
- Establishing water service connections from the water service valve to the existing property water service line.

Proposed Timeline

The anticipated date for this transition is Monday November 6th, and Tuesday November 7th, 2023 (depending on efficiency efforts). During this time, properties may experience a brief 10-minute water disruption.

Disruptions

- A 10-minute water interruption will occur on your property as 291 Construction transitions from the temporary watermain to the newly installed watermain.

Corporation of the Municipality of Thames Centre

4305 Hamilton Road, Dorchester, Ontario N0L 1G3 – Phone 519-268-7334 – Fax 519-268-3928 – www.thamescentre.on.ca – inquiries@thamescentre.on.ca

- Municipal employees will be present on-site during this transition, informing property owners of the 10-minute disruption and helping with turning on your water meter valve if required. If you are not home during the switch, the Municipality will arrange a convenient time to assist you in turning on your water meter valve if necessary.

Recommendations

The week of November 6th 2023, the Municipality advises residents to bypass their water softeners while transitioning from temporary water to the new watermain.
