

ON THIS SPOT STOOD  
THE REGULAR BAPTIST CHURCH  
OF  
NORTH DORCHESTER  
1866 ——— 1913  
THIS CAIRN GIVEN BY  
MABEL ALLEN LENTZ 1955

A stone cairn constructed from large, rough-hewn grey stones. It has a flat, rectangular top. In the center of the front face is a rectangular plaque with engraved text. Above the plaque is a small, square window with a decorative pattern. The cairn sits on a concrete base. Two white, pointed markers are visible behind the top of the stone structure. The background consists of green grass and dense trees.
