PRE-AUTHORIZED PAYMENT PLAN FOR PROPERTY TAX

BENEFITS OF THE PROPERTY TAX *MONTHLY* PLAN:

- Easy to budget by spreading your payments over ten monthly payments withdrawn automatically from your bank account on the 10th of each month February to November (except for August which will be on the 20th);
- Saves the cost of postage and your time paying your taxes;
- Avoid late payment charges (15% per annum) or worry about missing due dates.

In January of each year, your enrollment in the Pre-Authorized Payment Plan will be confirmed by letter or e-mail indicating the amount to be withdrawn from your account on the 10th of each month for the period of February to July. The amount to be withdrawn will be based on your prior year's actual taxes divided into 10 monthly payments.

In July of each year your final tax bill will be calculated. This tax bill will show the total final tax levy for the current year less interim taxes levied. A letter will accompany this final tax bill indicating the amount to be withdrawn for the period August to November.

BENEFITS OF THE PROPERTY TAX *QUARTERLY* PLAN:

- This plan is ideal for individuals who would prefer to have their four regular installments to be withdrawn automatically from their bank account on the scheduled due dates.
- This may be a great idea for those who like to go south for the winter because there are no worries about missing installment due dates and incurring penalties/interest.
