

Oakwood Place - Temporary Road Closure

From Oakwood Drive to the end of Cul-de-sac

Beginning **Wednesday June 7, 2023, from 8am to 5pm** Oakwood Place will be closed. 291 Construction completed the CCTV (video) of the storm and sanitary pipes, as well as each individual PDC to ensure there are no defects in the new pipes. From the CCTV, there is a Sanitary PDC that has sagged and needs repair prior to commissioning the new sewers. As a result, vehicular traffic will not be able to access Oakwood Place during this time. 291 Construction mentioned the work required to complete the repair will take approximately one working day (8am – 5pm, Wednesday June 7, 2023). It is highly recommended that residents park their vehicles before 7:00am on Wednesday, June 7th, on Oakwood Drive or Chittick Crescent as shown on the map below. Emergency Services have been notified.
