The motion was put forward by Councillor Tom Heeman, and it called for the creation of "an Ad-Hoc Committee for the expansion of the Thorndale Community Centre, with the goals of consulting on a design of a future expansion."

The proposed expansion would include a new hall with a stage, an expanded kitchen area, and paved parking areas.

The motion called for Council to receive a report from the committee in January 2025.

Motion Passed - Roadway & Traffic Town Hall Meeting

Council has called for a Roadway & Traffic Town Hall meeting to be held in Spring 2025.

The planned town hall meeting would invite stakeholders to participate in an open forum that allows residents to ask questions, provide suggestions, and give feedback on roadway and traffic safety concerns.
